RESPONSE TO NOTICE TO FILE MISSING PARTS MAILED MAY 9, 2001

Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application, mailed May 9, 2001 (the "May 9 Notice"), please find enclosed a copy of a Reply to a Notice to File Missing Parts that was filed at the U.S. Patent and Trademark Office ("USPTO") on May 9, 2001 (the "May 9 Reply"). A copy of a postcard receipt for the May 9 Reply is also included herewith. The May 9 Reply was in response to a Notice to File Missing Parts mailed from the USPTO on May 4, 2001 (the "May 4 Notice").

Because the May 9 Notice is identical to the May 4 Notice (with the exception of the mailing date), Applicants believe the May 9 Notice was mailed in error.

Applicants respectfully assert that they have made a full reply to the May 4 Notice, including payment of a \$130.00 surcharge. Applicants further respectfully assert that the application is now complete and ready for examination and that no further surcharge is due. Applicant's obligation to reply to the May 9 Notice has been discharged by filing all required items and fees at the USPTO on May 9, 2001. No further surcharge should be applied.

In order to clarify the record, Applicants request that the Office of Initial Patent Examination withdraw the May 9 Notice and mail Applicants a confirmation that the application is now complete and ready for examination.

Respectfully submitted,

Michael I. Angert

Declaration and Power of Attorney

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **TEXT-TO-SCENE CONVERSION**, the specification of which was filed on November 2, 2000, as United States Application Number 09/703,622.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by an amendment, if any; specifically referred to in this oath or declaration.

I acknowledge the duty to disclose all information known to me which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

None

I hereby claim the benefit under Title 35, United States Code, 119(e) of any United States provisional application(s) listed below:

Application Serial Number 60/242,532, filed October 23, 2000.

I hereby claim the benefit under Title 35, United States Code, Section 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, Section 112, we acknowledge the duty to disclose all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:

None

ASSIGNMENT AND AGREEMENT

For value received, we, Robert E. COYNE of Montclair, New Jersey and Richard W. SPROAT of Berkeley Heights, New Jersey; hereby sell, assign and transfer to AT&T Corp., a corporation of the State of New York, having an office at 32 Avenue of the Americas, New York, New York 10013-2412, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **TEXT-TO-SCENE CONVERSION** described in an application for Letters Patent of the United States, filed on November 2, 2000, Application Serial Number 09/703,622, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to AT&T Corp. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize AT&T Corp. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of AT&T Corp. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to AT&T Corp. in the United States and in all countries foreign to the United States, or to such nominees as AT&T Corp. may designate.

COPY

Attorney Docket No. 2685/5675

We agree that, when requested, we shall, without charge to AT&T Corp. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
